FREE Breakfast club for all – complete the expression of interest

16th June 2026

Dear parents & carers,

As we are sure you are aware, there is a new National programme to ensure that every child has a chance to have something to eat for breakfast every day thus enabling them to be able to concentrate on learning and make progress.

In order to fulfil this strategy, from September 2026, we will be opening our school to all pupils from 8.30am where free warm toasted bagels, cereals and fruit will be on offer alongside a chance to settle in and be ready for the academic day when formal lessons will start as usual, from 9.00am. Children will be offered the chance to take part in a range of educational activities whilst they eat. To access the breakfast the child will need to arrive by 8.40am and you will need to book this in advance on Arbor to allow us to prepare appropriately.

If you believe that this is something that your child would like to access, [please complete the expression of interest form linked here](#), to indicate that your child will be attending. This is not a commitment from you, but it will give us a guide to the number of children who will take advantage of this offer and allow us to make plans accordingly.

Wraparound facilities will still be available from 7.30am and will continue to be available to all pupils from Reception to Year 6 at the agreed rates of pay. Please request the application form and contract from the office if you wish to access this.

Yours sincerely,

Mr M Curtis
Head of School
