### Year 6 School Trip – Science Museum London

Dear Parents/Carers,

In year six we have really been enjoying our science topics this year so far, including the circulatory system and electricity. In order to supplement the children's learning of these areas (and future science topics), as well as promote enjoyment and enthusiasm for science, we are offering children the opportunity to visit the Science Museum in Exhibition Road, South Kensington, London on **Tuesday 2<sup>nd</sup> December 2025**.

We will travel by train on the c2c route then the tube. We will require children to be dropped off to South Ockendon Station at 8:25am and handed to an adult. If children arrive late, there is a possibility they will need to attend school as we cannot wait around for latecomers. If your child is scheduled to attend breakfast club on this day, these children will be taken via minibus to the station but must be in breakfast club **by 8:10am**. We are expected to arrive back to South Ockendon station at approximately 4pm where you will need to collect your child. If your child is due to be collected by someone other than those on their collection list, please give a letter in writing to Miss Venemore or Mr Reddy.

Children will be required to wear full school uniform on this date and need to bring a packed lunch from home and water bottle with them. If your child usually receives free school meals and would like to order a sandwich lunch, please return the form attached to this letter by **Wednesday 19<sup>th</sup> November**. Otherwise, it will be taken that you will provide lunch for your child. Please note that usual packed lunch requirements of no nuts still apply.

Children will be fully supervised and led round the museum at all times by class teachers and LSAs. To allow your child to attend this trip, please complete the consent on Arbor by **Wednesday 19<sup>th</sup> November 2025**. In order to facilitate this trip including train travel, we are requesting payment of £4.50 which can be made at time of accepting Arbor consent.

Thank you very much for your support and any questions please do direct to class teachers.

Yours sincerely,

Miss Venemore and Mr Reddy

Year 6 Team

**Year 6 Science Museum – school lunch request**

*FAO: class teachers*

Name of child: \_\_\_\_\_ Class: \_\_\_\_\_

I confirm my child is in receipt of free school meals and would like to order a sandwich lunch for the above trip.

- ☐ Ham sandwich
- ☐ Cheese sandwich
