### **English and Maths Enrichment Club – Year 6**

Dear Parents/Carers

We would like to invite your child to attend a English and maths enrichment club after school for the Autumn term, on Tuesdays, Wednesdays and Thursdays in preparation for SATs. It will be using a computer-based programme, which has shown that, if used daily, will improve the children's English and mathematical skills. The questions are tailored to meet the expectations for your child's end-of-year SATs results. The club will be run by a member of the Year 6 Team who will also be able to tailor support for children during the sessions.

The children will be using SATs Companion, which offers problems at an age-appropriate level to ensure progress. They will be asked to attend all three sessions, if possible, to secure progress and attainment. We ask that you give permission for your child to attend the club on Arbor. The club will finish at 4pm (children should be collected from the school office at this time). If you give permission for your child to walk home alone from the enrichment club at 4:00pm, please email [admin.shps@catrust.org.uk](mailto:admin.shps@catrust.org.uk). Please note additional permission to walk home after a club is required. The club will start on Tuesday 9th September.

Yours sincerely,

Miss Venemore and Mr Reddy

Year 6 Team
